

School Zone Safety

Welcome back! The first few weeks can be hectic in the school zone, as new parents are learning the flow of traffic, and we're all getting back into the routine. Please help provide a safe route to school by following the laws and rules:

- 15 MPH speed limit
- U Turns are illegal - this includes multiple point turns and pulling slightly in to the culdesac to turn around
- Drivers are required to stop at crosswalks for pedestrians
- Please no dogs on campus
- No pick up or drop off in the school parking lot, this area is strictly for buses and staff

Ride the bus, bikes, or walk to school when possible. This helps to alleviate school zone congestion. The bike corral is at the south end of the school parking lot, entering through the gate behind the parking lot sheds.

Both St. Johns on Plumb Lane and the Mormon church on Golconda Drive allow us to park in their lots for pick up and drop off. This is the safest and easiest option and we highly encourage you to use it. There are gates for access leading from these lots directly to the school, and they are open at the beginning and end of the school day.

We are also implementing a morning "Kiss & Go" on the curbside section of Sharon Way directly in front of the Beck front lawn. Kiss & Go is a short term stopping area where drivers are allowed to stop and park the vehicle for a very short time while the student exits the vehicle from the curbside doors.

- Signs will be on the curb designating the drop zone, and volunteers will be on hand to help
- The zone is a designated No-Parking area where drivers are not able to go in to the school
- Do not use red curbs, this is subject to fines
- Enter the drop zone advancing as far forward as possible before stopping to drop off your students
- Stay in line behind the car in front of you. Do not pull around a car to fill in a gap.
- If the car in front of you pulls forward or out of their spot before your child exits the car, pull ahead as far as possible in the zone, to allow others to safely pull in behind you and prevent congestion.
- Students should exit the cars on the right hand side only towards the curb. Parents should not exit the car to help children.
- After dropping off your students, you may pull forward to exit the drop zone.
- If the drop zone is full, do not queue up on the road. Please find a parking spot on Plumb Lane or in the St. John's parking lot.

School Zone Safety

YELLOW : Kiss & Go

GREEN: Church lots with available parking and gates to Beck

RED: School parking lot, staff and buses only, no pick up and drop off
